Psych Professional – Notice of Hypnotherapy Services

Therapist Name Date

Dear _____,

Your patient, _____,

recently sought my professional services as a Hypnotherapist to assist them with their personal growth. As per California's Business and Professions Code 2908, I provide vocational and avocational self-improvement services.

They have informed me that they are currently or recently have been receiving psychotherapy/counseling services from you. As a professional courtesy I wanted you to be aware of your patient's request for hypnotherapy services. I also want to provide you the opportunity to let me know if in your opinion, my hypnotherapy services would in any way be contraindicated for your patient or if my services would in any way interfere with your treatment.

Your courtesy of signing and returning this notice so that I may be assured of your receipt is appreciated. If you have any questions or require any additional information, please feel free to contact me.

Thank you for your consideration in this matter.

Sincerely,

Joe Smith Certified Hypnotherapist, American Hypnosis Association Telephone, Email
